**Carlos Cabrera**

He has made a remarkable improvement  
in the last few months and has demon-  
strated how hard work can lead to good  
things. He is a shining example of how  
hard work can lead to good grades.

--- Mr. Morales

## Earth Fair on Campus

By Jose Rodriguez  
Sentinel Staff Writer

On Friday 17, students  
and faculty took part in various  
Earth Day activities.

From 8:30 a.m. to 3:30  
p.m. students were able to see  
and participate in school greening  
projects. Students painted, others  
planted, and everyone was given  
the opportunity to learn a bit more  
about the environment in which  
we live.

Congratulations to Ms.  
Miyano for her great effort and  
leadership for the event.

Students and faculty enjoy what the Earth Fair brought.
